## NEWS @CSL YOUTH AND FAMILY

### New Curriculum

We have an amazing new curriculum that we are using in our Youth Ministry. We are teaching the Golden Thread of Truth that runs through all religions. This is an amazing foundation for our children to have and is different from any other Spiritual Center or church. This month the focus is "Tales from the Torah". As we follow the golden thread of religion we will focus on creation, Loving kindness, Oneness: Rosh Hashanah and Illumination: the 10 commandments – Metaphysical interpretation.

### Youth and Family tithing

We have also started to talk to the children about Tithing. What it means and why we do it. Please join us in supporting the youth as they exploring tithing. Tithing is an amazing practice and I know when I give to my community I receive it back many times over we really want to share this message to our youth. We will use the money to enhance the youth ministry experience.

### Teen on tithing

Teen Leader Mackenzie Fay had this to say about tithing

For our first newsletter we want to shine a light on our very own pot of gold, our Youth Director Leah Miller. Leah first came to CSL in August of 2008 and soon after she began to provide service in many areas – the abundance team, Birthday cake team, and many more. Sitting in church she overheard on more than one occasion a daughter tell her father that there weren't enough teachers for Sunday school. She recognized the need and started to teach. A few years later, when CSL needed a new Youth and Family Director Leah was the perfect choice for CSL and through prayer she knew it too. Today she is pleased to see how much the youth and family ministry has grown. She is currently in Practitioner 2 training, she loves spending time with her family and new puppy, she enjoys Deeksha, and Leah is a member of CSL's leadership council. In addition she sends special support and love to individuals in the correctional system. We are so grateful for Leah's dedication and service to CSL.

## OUR GROWING COMMUNITY

I am so excited to see our youth community grow. To watch these children learn from such a young age that they are whole perfect and complete will create an amazing foundation of self-confidence and self-worth. I know I found this community when I was ready and I cannot wait to see what our youth does having all of this amazing knowledge as a foundation.
